Greening certificate

AFS Energy B.V. declares that the electricity consumption in the period 2024 of

Rubix B.V.
of
1590 MWh

will be entirely generated by Dutch Wind installations. AFS Energy guarantees that this green electricity will be added to the electricity grid exclusively for Rubix B.V.

Rubix B.V. is hereby demonstrating a conscious choice in the scope of **Corporate Social Responsibility**.

Amsterdam,

AFS Energy

Laurens Zonneveld
Managing Director

The Guarantees of Origin purchased by Rubix B.V. will be permanently cancelled by AFS Energy B.V. on behalf of Rubix B.V. in VertiCer. VertiCer is appointed by the Dutch government to issue and audit Guarantees of Origin.
